SUPREME COMFORT ON THE OPEN SEAS

Issa 45 Fly

We consider your choice of a Monachus yacht to be the greatest exclusive, and trust to be the most valuable currency.

Monachus Issa 45 Fly

Discover Issa 45 Fly

Whether you spend your time by cruising, fishing, or simply enjoying the view.

Exterior

Exterior comfort

Timeless elegance

The Issa 45 with Flybridge is a luxurious and powerful motorboat that offers an impressive combination of performance and comfort. Its sleek lines and spacious cockpit make it perfect for entertaining friends or family, while its full-featured flybridge provides excellent visibility and control. She is characterized by top buoyancy and built according to the European CE category A standards.

Elegance of lobster Style

Structural strength

The superiority of navigability

Front Deck

A perfect place for sunbathing, socializing and enjoying the view of the open sea.

- Sunbathing experience with top-quality mattresses.
- Flexiteek decking provides a classic and timeless look.
- Teek decking option

Enjoy the spacious bow area with plenty of room to relax.

Rear Deck

Spacious aft cockpit with teak table, bench and chairs, perfect for outdoor entertaining and relaxation.

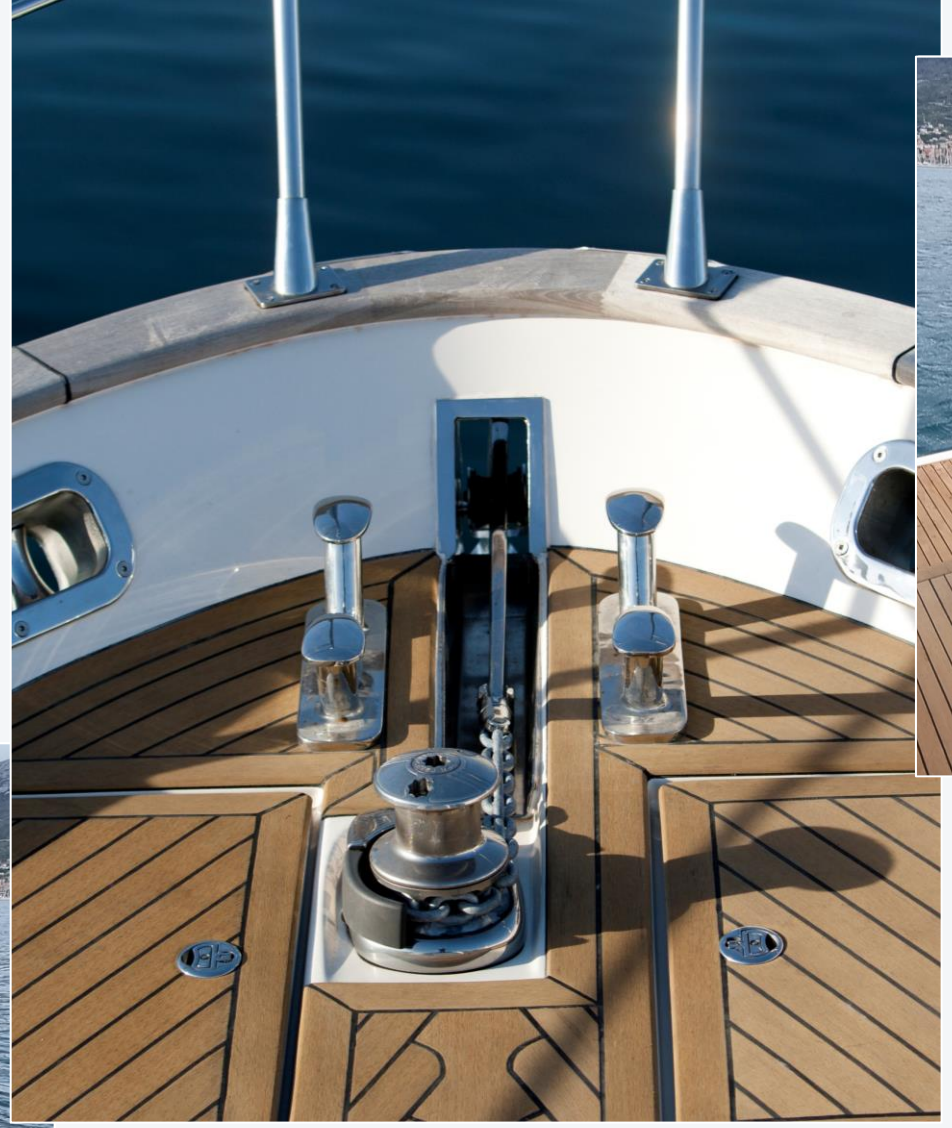
The bathing platform is a great way to enjoy the outdoors with convenient access to a shower.

Flybridge

The flybridge area is the perfect place to enjoy the beautiful view while cruising, equipped with comfortable benches and a table for dining and socializing.
The captain has access to all yacht controls from the flybridge area.

Exterior Details

Uncompromising use of the highest quality materials in the design and manufacture of external components ensures their durability and longevity, and above all, safer and easier use.



Exterior details come together to create a unique and beautiful image that reflects the owner's taste and style.

Interior

Interior comfort

The best use of interior space is the top priority of our interior design team, and the pleasant experience of semi-custom manufacturing offers personalization of the interior according to the owner's wishes.

A width of 4,2 meters, combined with a length of 14,4 meters allow variants that include two or three cabins, equipped with a bathroom and shower,

A modernly equipped salon and wheelhouse with side door and a fully equipped kitchen located at the entrance to the outer cockpit, with an open folding kitchen window that perfectly combines the salon and the outer cockpit into one special unit.

Salon & Wheelhouse

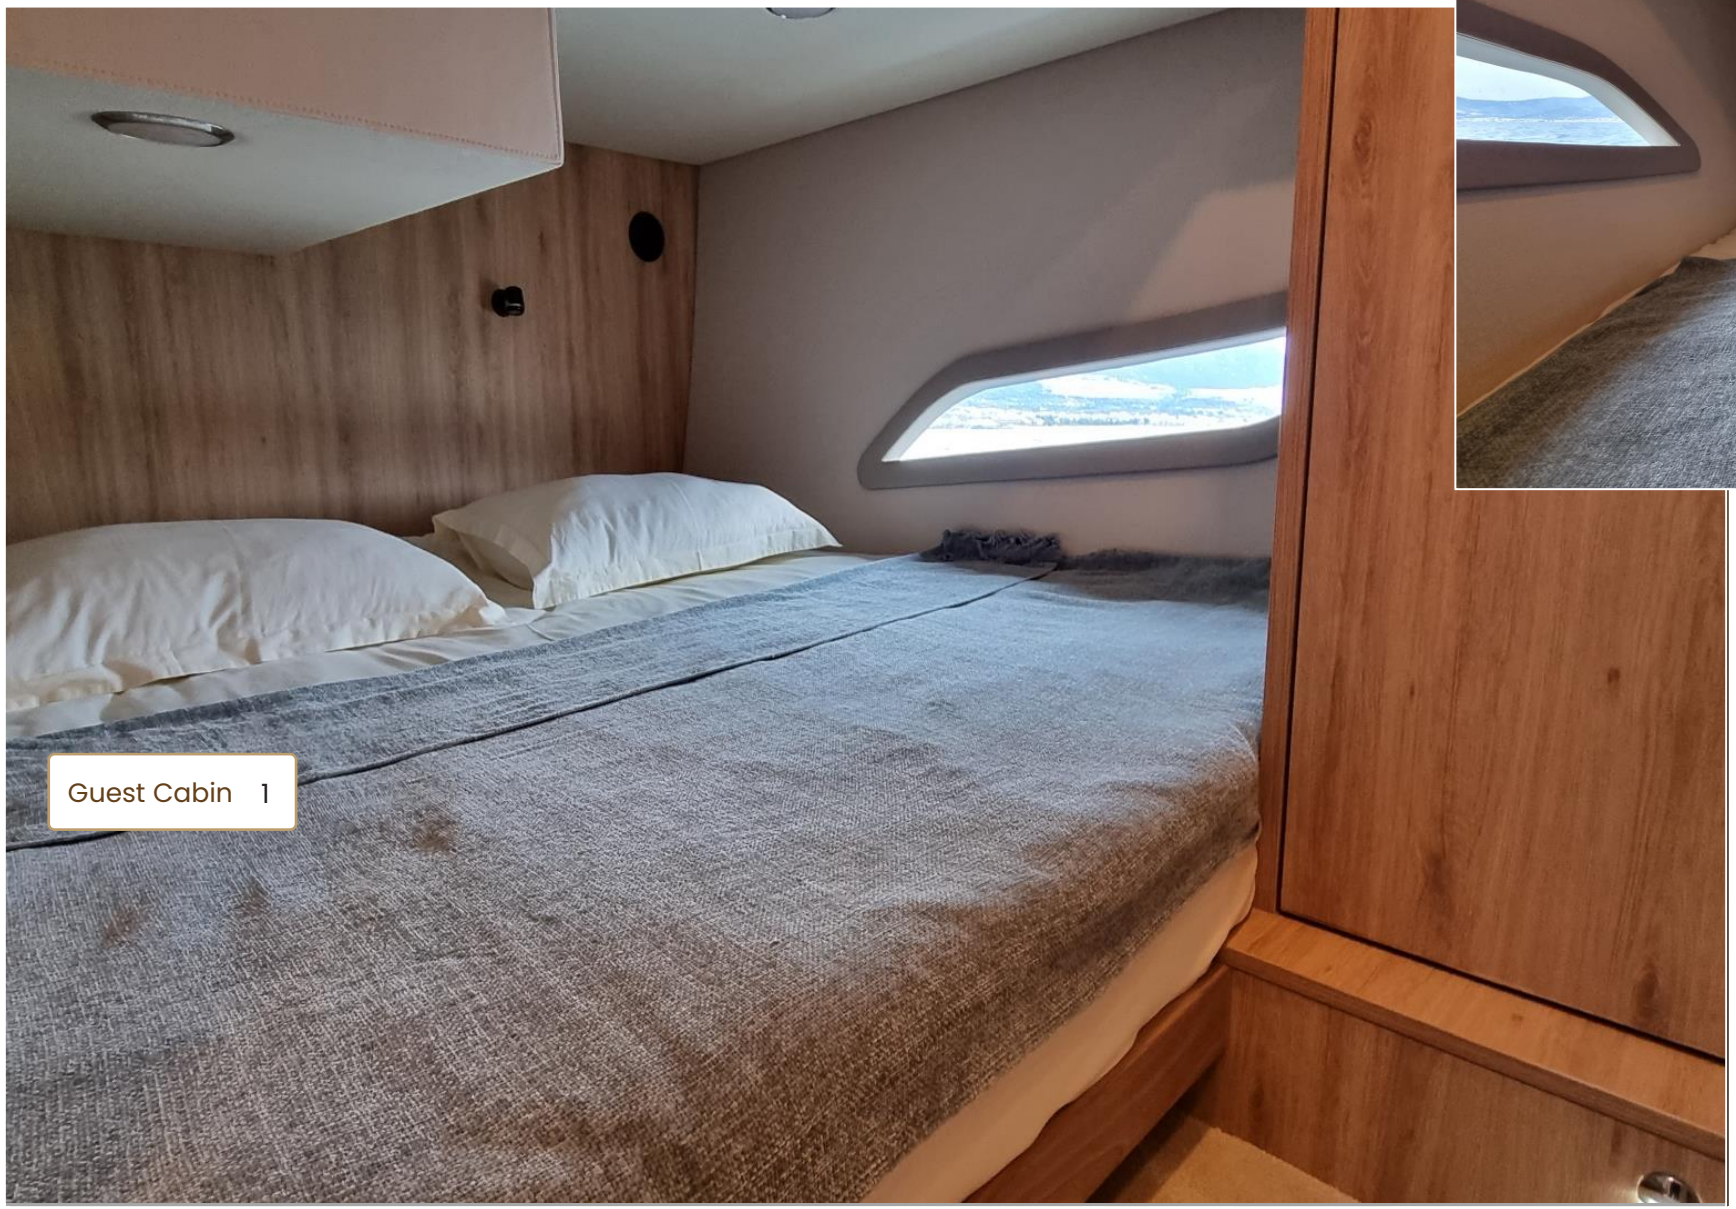
Salon is the main living space on the yacht designed in a comfortable classic style and consists of a kitchen, dining room and wheelhouse which is equipped with the latest navigation and communication systems.

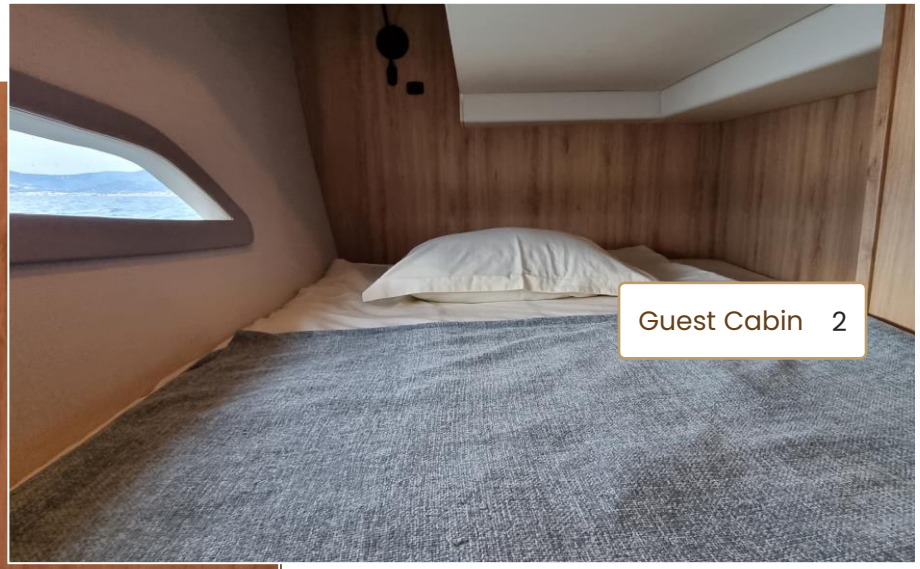
Interior

Master Cabin

The largest and most luxurious cabin that is located in the bow of the yacht. It is equipped with a comfortable double bed, as well as generous storage space.

Bathroom ✓	2 persons Double Bed





Guest Cabins

Guest cabins with double beds provide a luxurious experience to passengers. These cabins have comfortable beds, plenty of storage space and modern conveniences, ensuring guests have a comfortable stay on board.

Technical Data

Issa 45 Fly

The 'Monachus-Issa 45 Fly' is a robustly constructed vessel with carefully designed weight distribution for optimal buoyancy. Structural water tanks and hydrodynamic tunnel design further enhance stability and protection. The boat's balanced seesaw effect on longitudinal waves, clear view windscreen, and raised bow at different speeds provide safe and comfortable navigation on both the flybridge and wheelhouse.

MAIN TEHNICAL DATA

LOA:	14,40 m (47 ft)
Width:	4,2 m (14 ft)
Draft:	1,08 m (3,7 ft)
Displacement:	14,4 t

TANK CAPACITY

Fuel capacity:	1500 l (422 US Gls)
Fresh water:	750 l (198 US Gls)

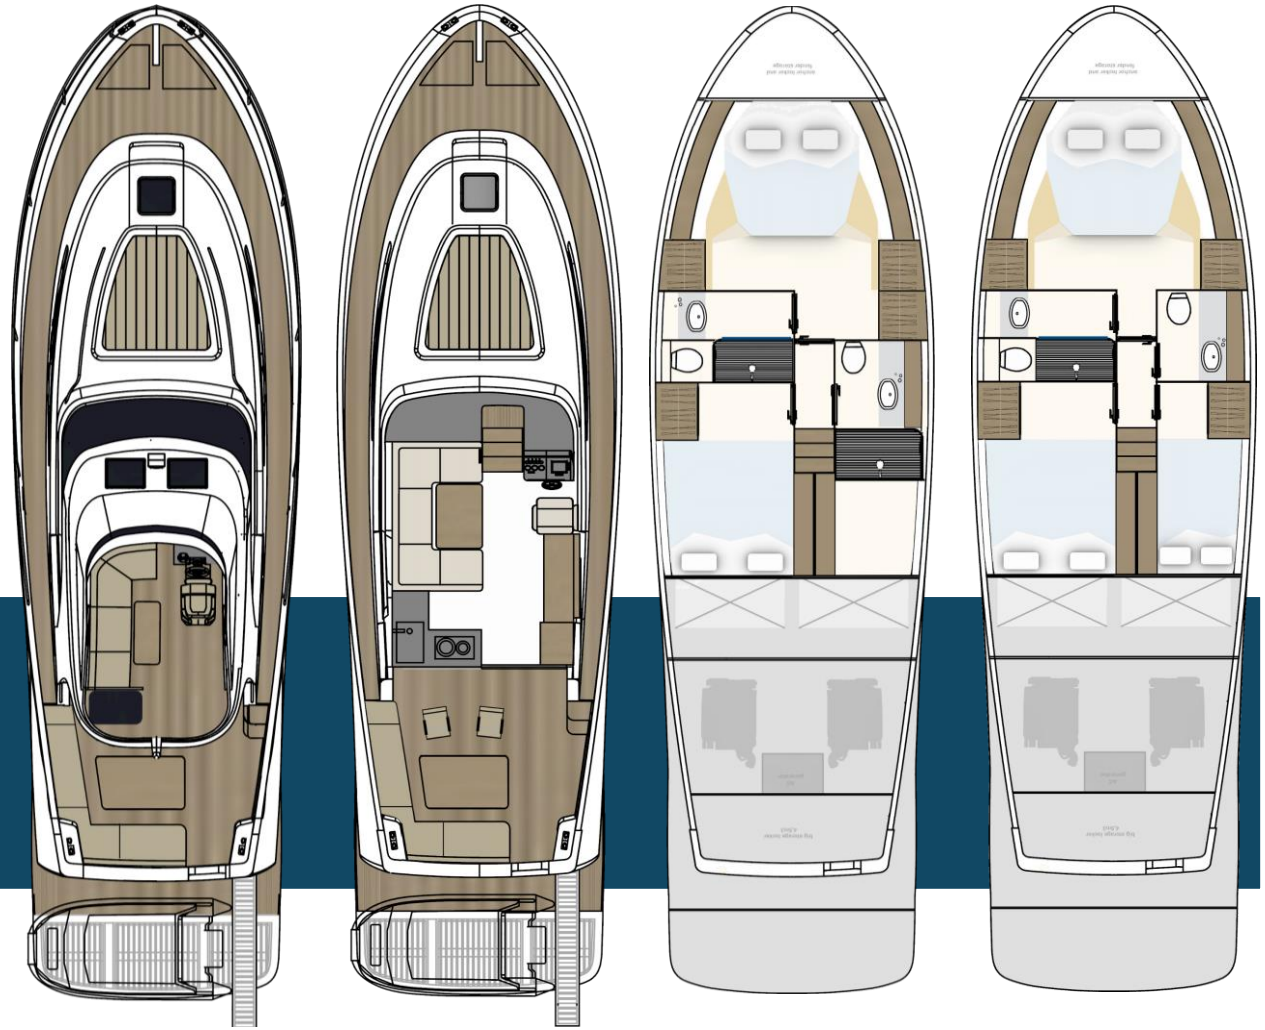
Building technology	Vacuum infusion
Styling & concept	Monachus Yachts & S. Djakovich naval arch.
Keel	V-shape, aft deadrise 18* bounded by HD tunnels

The guiding thought of the Monachus Issa 45 Fly design is timeless elegance.

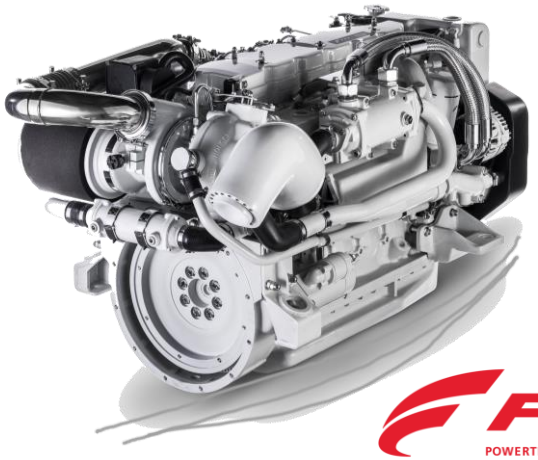


Sun Deck | Main Deck | Two cabins | Three cabins

Engines

Powered by FPT Marine engines

Excellent seaworthiness is provided by the V-drive system and the standard application of FPT N60 engines, which are characterized by quality, excellent performance, economical and reliable even in the most demanding sailing conditions.



ENGINE (STANDARD)

Two engines FPT N60, each 400HP
Engine displacement: 5,9 lit.,
No. of cylinders: 6, common rail
Max speed: 28 kts | **Cruising:** 23 kts

ENGINE (OPTIONAL)

Two engines FPT N67, each 450HP
Engine displacement: 6,7 lit.,
No. of cylinders: 6, common rail
Max speed: 31 kts | **Cruising:** 26 kts

For customers seeking an alternative to the FPT N60 marine engine, we also offer the FPT N67 engine as an option. This motor provides similarly high-quality performance and reliability, making it a great choice for those looking to enhance their vessel's seaworthiness and efficiency.
